## Keeping Up With Torrance High

The Ephebian of the summer class of '33 were chosen last week. Bill Parke and Jean Wheaton are this year's choice. The Ephebian membership is one of the greatest honors that can be conferred upon a high school student. Those chosen must have been outstanding in all scholastic activities and willing to receive the responsibility of civic leadership.

Bill Parke was president of the student body last semester, and he also headed the Boys' League. This semester he is president of the Key Club and president of the senior class; also a member of the sides holding all these offices, he has been a very active worker in the cafeteria business. Bill has always taken a very great interest in his class work.

Jean Wheaton has been president of the G. A. A., president of the Girls' League, secretary of the Girls' League, and is now an active member of the student board of control.

It was announced last Friday that this year's graduation dress would be the same as it has been in the past. The subject of this year's dress has been the topic of discussion a great deal by the present senior class.

Cups and grown were suggested by some of the members of the class, and then a "battle of the century" began which has lasted for two months. The class of summer '33 will be seen at graduation next month with all boys wearing dark suits, and the girls, evening dresses.

The graduation this year for the first time will be held in the gymnasium, June 23, at 5 p. m.

## —at Narbonne High School

June 7 is the tentative date set for one of the greatest displays of wild animals, games of chance, and ballyhoos that the Narbonne gymnasium has ever seen. That will be the day of the Lettermen's carnival. This year the carnival will be held only in the afternoon, with all of the amusements in the gymnasium.

Richard Engle, senior B at Narbonne, will compete in the finals of the Los Angeles schools spelling match, June 9, over radio station KPAC.

Narbonne and Torrance tied in their match, with 15 errors each, some two weeks ago. Since then Highland defeated L. A. high, Banning tied San Pedro, and Franklin won from Lincoln. At the beginning of the contest, a schedule was drawn up making it necessary for the head of the English department from every L. A. school to pronounce the words one night during the contest. Since then, however, the plan has been changed with Mr. Bennett, the radio announcer, pronouncing the words. This means that Miss Wylie, head of the English department at Narbonne, will not pronounce the words June 8 as was originally announced.

## Civil Service

### Examinations

The United States civil service commission will accept applications until June 13 for the positions of assistant radio operator (airways) and junior radio operator (airways) in the Airways Division, Lighthouse Service, Department of Commerce.

The salary for assistant radio operator (airways) is \$1800 a year, and for junior radio operator (airways) \$1620 a year. The salaries named are subject to a deduction of not to exceed 15 per cent as a measure of economy, and a retirement deduction of 3 1/2 per cent.

Applicants must have had certain experiences as radio operator on board ship or at a shore station.

Full information may be obtained from W. J. Howell, secretary of the United States civil service board of examiners, at the post office or customhouse in this city.

## Torrance Hospital Receives Certificate

Following the May day services Sunday at the Church of the Nativity, about 30 bouquets of flowers were turned over to the Jared Sidney Torrance Memorial hospital, which were used in decorating the halls and distributed to the rooms of the patients. On Monday the Central Evangelical church also sent a beautiful bouquet to the hospital.

A new addition to the wall decorations at the hospital of which the staff and attending physicians are very proud is a framed certificate from the American College of Surgeons attesting the fact that this institution is one of the standard hospitals of the United States, complying with all the requirements of the College. The hospital has been on the standard list for four years.

## SIX PRECINCTS TO BE CONSOLIDATED

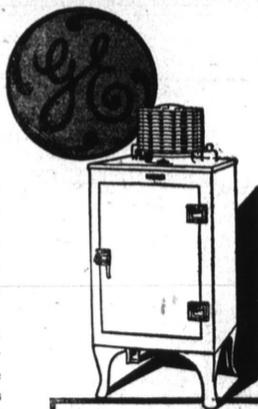

Six voting precincts in the vicinity of Torrance and Gardena will be consolidated for the June 27 special state election, by order of the board of supervisors. They are as follows:  
Victor precinct with Torrance city precinct No. 2, Norman precinct with Gardena precinct No. 5 and Sexton precinct, which also will be consolidated with Gardena No. 5.

Who Wouldn't? MODESTO, (U.P.)—Judge Dan E. Kilroy gave three men their choice of paying \$25, spending 12 1/2 days in jail or cutting 12 1/2 tiers of wood. They took the jail term.

## Gardena Boy Dies of Injuries

William Norman, young son of Police Chief George B. Norman, of Gardena, who was brought to the Jared Sidney Torrance Memorial hospital last week died from his injuries May 26. The boy was struck by an automobile driven by Mrs. Dorothy Crowell, of Beverly Hills, while he was riding his bicycle at 182nd and Western avenue. The boy's lung and kidney were split and he sustained other serious injuries. Mrs. Crowell was exonerated from all blame at a coroner's inquest held Monday.

### TROOP 1

Recently a party was given for the Scouts of Troop 1 at the home of Mrs. Mize. A peanut hunt was held in the garden and Tsuyoko Fukai and La Verne Spears won prizes for finding the most and least number of peanuts. After a game of baseball, delicious refreshments were served by the hostesses. The centerpiece was a miniature log cabin, around which were interesting figures. Decorations were carried out in the Girl Scout color scheme.

Last Wednesday an interesting trip was made through the Torrance Laundry. A courteous employee acted as guide and described each process. The folding and pressing machine for men's shirts was especially interesting.
